\_\_\_\_\_, born \_\_\_\_/\_\_\_\_/\_\_\_\_, do hereby authorize  
(student-athlete name) (student-athlete date of birth)

a sports/school physical on Monday, **June 6, 2022**, at the Tracy Learning Center, Millennium High School for my child with Dr. Andy Su and team. **Location:** *51 E. Beverly Place, Tracy, CA in the gym.*

I understand that this is a pre-season sports physical screening exam. It is not a comprehensive exam and it is not intended to provide treatment nor to create a physician/patient relationship. I understand that athletic participation comes with the risk of injury. This screening exam cannot detect all problems or prevent injury from athletic participation. I understand that if a follow-up evaluation is recommended, it is my responsibility to seek care from an appropriate provider.

I certify that I am the parent/legal guardian for this athlete/minor and I understand the information above.

Dear Parent/Guardian,

Millennium High School is happy to offer the opportunity for student-athletes to have their sports physicals completed here on campus prior to the start of the 2022-2023 school year. This gives student-athletes a chance to get ahead on their paperwork, and serves as a convenience for those that may have difficulties making it to an appointment elsewhere in the midst of work, school, and sports schedules.

Sports physicals on campus are \$20, conducted by Dr. Andy Su and team. Payment can be made via cash or checks made out to **Dr. Andy Su.**

Sports Physicals will begin at 1pm in the basketball gym on Monday June 6<sup>th</sup>. Please be sure to arrive no later than 3pm to ensure the team is still present to conduct sports physicals.

Thank you,

Stevi Balsamo
